```
VOLTRIM DOWNLOADER - QUICK START
```
==================================================
```

THANK YOU FOR YOUR PURCHASE!

INSTALLATION STEPS:
1. Double-click "VoltrimDownloader.exe" to start
2. On first launch, required components will download automatically (This takes
1-2 minutes - please be patient)
3 . Press F1 anytime to open the User Manual

IMPORTANT LEGAL NOTICE: Before using this software, you MUST read
and agree to: - EULA.txt (End User License Agreement) - The Legal Disclaimer
in the User Manual

By using Voltrim, you agree to use it only for downloading content you have
legal permission to access.

NEED HELP? - Press F1 in the application for the full User Manual - Read
README.txt for detailed features and troubleshooting - Check THIRD-PARTY-
NOTICES.txt for component licenses

SUPPORT: For technical support, please contact: voltrimbiz@gmail.com.com

Enjoy using Voltrim Downloader!
